## MEDIA RELEASE

### A pictorial history of the Lithgow State Coal Mine

The City of Greater Lithgow Mining Museum Inc is planning to launch its pictorial history of the Lithgow State Coal Mine in April 2009.

The book of 124 pages will be available in paperback at the retail price of \$29.95. It contains over 110 images in black and white and colour and contains many stories of the mine and its employees.

From now until the end of March 2009 the Museum is offering the book at a special pre-publication price of \$24.00 per copy. If you wish to take advantage of this special price you can order the book by downloading an order form from the State Mine website [www.statemine.org.au](http://www.statemine.org.au) or by obtaining an order form from the State Mine Museum.

Books ordered under this special pre-publication offer will not be available until April 2009.

We also welcome enquiries from businesses wishing to purchase copies of the book for resale. A special price has been set for orders in excess of 10 copies.

Enquiries can be directed to the book's author Ray Christison on 6353 1812 or by email at [highground@swiftdsl.com.au](mailto:highground@swiftdsl.com.au)

All proceeds from the sale of the book will go towards the continued operation and development of the State Mine Museum.
